How To Address The Board

The Board of Commissioners set aside time to listen to public comments about Lenawee County government, ensuring the individual's right to participate in a public meeting, yet maintaining necessary decorum during that meeting. Each person who wishes to address the Board during Public Comment must complete a request form, including place of residence or business address, and submit it to the Clerk prior to speaking. Remarks are limited to three minutes.

When called to the lectern, speakers should introduce themselves and make their comments concise and to the point, and present any data or evidence they wish the Board to consider.
